

PROTEST TO PROPOSED SEWER RATES

If a property owner/ratepayer does not wish to protest the proposed sewer rates, you do not need to complete this form. No action is necessary.

If a property owner/ratepayer wishes to file a judicial challenge or other proceeding to the fees, then property owner/ratepayer must also timely complete and submit a written objection in accord with the instructions in the Notice of Public Hearing. Submitting this protest does not preserve your right to later bring a legal challenge.

This form protests only the proposed sewer rate increase(s). The District is also considering a proposed water rate increase(s), which will be tabulated separately and requires its own protest. To protest both, you may submit a separate water protest, or single protest letter that clearly protests both water and sewer proposed increases.

Use of this form is not required and is provided for your convenience. A protest identifying your parcel by APN or service address and clearly stating your protest of the water rate constitutes a valid protest. Only one protest per parcel will be counted. **PLEASE PRINT LEGIBLY OR YOUR PROTEST MAY NOT BE COUNTED**
